

CMS Film

Dear Sir/Madam,

Festival Greetings!

Congratulations from the 13th CMS Lucknow International Children's Film Festival for your participation. The festival will be held in Lucknow, India, from 15th -21st April, 2024.

The schedule of the selected films for the 13th ICFF will be released on the ICFF website: <http://www.cmsfilms.org/icff> by 1st April 2024

The selection committee has recommended your film(s) for inclusion in the **World Cinema**. Films selected in this category will be screened during ICFF 2024.

We have received tremendous response for the International Competition section. As per festival regulations we can accommodate limited entries for the same. This restriction is making things difficult resulting in the inability to accommodate many interesting films for the competition. Your film falls in this category.

Once again thanks for your support, and look forward to hearing from you.

Warm regards,

Thanks and Regards

R. K. Singh
